JACOBO PHILIPPO FRANSONI

S. R. E. PRESBYTERO CARDINALI

PRAEFECTO SACRI CONSILII

CHRISTIANO NOMINI PROPAGANDO.

NICOLAUS MURAD

A negotiis Ecclesiae Patriarchalis Antiochenae Maronitarum.

Cogitanti mihi, PRINCEPS EMINENTISSIME, quanam potissimum Tibi ratione pro tantis tuis in gentem nostram meritis, si nullam gratiam possem, saltem aliquam persolvere gratiae speciem viderer, opportune se editio haec Ritualis et aliarum piarum precationum Ecclesiae nostrae obtulit; quae, Deo adjuvante, magnis aerumnosisque meis curis expedita et ad effectum jam perducta Tibi se offerri, Tibique dedicari prope

suo jure postulabat. Tibi videlicit, qui, Sacri Consilii Praefectus christiano nomini propagando, ita res Ecclesiae nostrae atque rationes sedulo benigniterque promoves ac tueris, nulla ut regio esse alia videatur, sacris christianis, eademque Tibi addicta, quae tuae opem sollicitudinis aeque (quod sanctissime singularum utilitati praestas) experiatur. Tibi, inquam, qui adsertor religionis vigilantissimus non modo caves, ne Christi Ecclesiae disciplinae splendor, non dicam, nube, sed ne levissima quidem nebula obumbretur, verum ipsos etiam ritus, sua integros puritate servari maximopere contendis. Itaque laetor ego, mecumque laetantur Maronitae universi, quod chartis hisce nostris tuo nomine inscriptis in publicam venire lucem atque in hominum adspectum liceat; eoque laetantur magis, quod ita nostris satis esse factum desideriis videmus. Quod enim optabamus maxime, ut aliquam tibi grati animi significationem, ob peculiare, quo nos complecteris, patrocinium, exhiberemus, id nunc, hoc oblato tibi volumine, contigisse gratula-

mur. Hoc autem ipso animo, Princeps Eminentissime, quo sumus nos, caeteri quoque erga te sunt christianorum coetus universi, quorum te providentissimus omnium Ecclesiarum Rector et Pater GREGORIUS XVI. curam gerere voluit, dignissimum judicans, quem in hujusce pastoralis sollicitudinis partem advocaret. Quod si illis adhuc ratio defuit suos tibi palam sensus testificandi, nos occasionem hanc nacti, eorum veluti praecones, egregia tua in omnes merita, mirificamque omnium in tuas laudes consensionem apertissime praedicamus. Excipe igitur tot tibi nominibus debitum volumen istud ; idemque obsequentissimi gratissimique animi testimonium et pignus, quale volumus esse, considerans, perge gentem nostram patrocinio tuo concreditam, prout adhuc fecisti, tueri et juvare.

Articolo di Lettera di Monsig. Wiseman diretta all' Emo Sig. Card. G. F. Fransoni Prefetto della S. C. di Propaganda.

Eminenza R̄ma

Rimetto a Vostra Eminenza R̄ma il qui annesso libro, che forma il Rituale Maronita, e contiene varii riti ecclesiastici, nonchè pie e divote prattiche derivate dall'uso della Chiesa latina. Conforme a quanto l'Eminenza Vostra si degnò impormi, ho letto attentamente tutto il volume, e non vi ho trovato cosa che ne possa impedire la stampa, in materia o di fede o di costumi. Al contrario credo che l'uso dei sagri riti e funzioni in esso contenuti,come ancora delle orazioni e cantici che gli accompagnano, dovranno essere di gran frutto a quei fedeli, col nutrire nei loro cuori una sincera divozione. Perciò giudico che se ne possa liberamente permettere la stampa.
